AITP Members in the News AWARDS & RECOGNITION

Marty Klest, Awards Chair, is pleased to announce that the Windy City Chapter has qualified for **Level 3 COPA** Award status. A big thank you to all those members who contributed their time and energy in helping the chapter attain this goal. Marty and chapter membership would also like to thank Kathy Harden, Executive Assistant at MAKE Corporation for her help in compiling all the COPA award documentation.

Next on the awards agenda are the IPA (Individual Performance Awards) for 2002. Any individual interested in being considered for an IPA, please send your 2002 IPA spreadsheet to Marty Klest at mklest@makecor.com by August 30, 2003. If you should have any questions, please contact Marty at 630-990-3990.

Presidents Message

By Paul Dittmann

Special thanks to our speakers:

- Bill Farrow, EVP/CIO of the Chicago Board of Trade (Industry Briefing – Trading and Exchange Industry),
- Jay Kozak, Oracle (the future of eBusiness)
- Jim Pajakowski and David Brand of Protiviti (Sarbanes-Oxley)
- Kelly Brennan, Special Agent for the FBI (InfraGard & Cyber Security)
- Richard Barnier, Chair of CEO/CIO focus group – Presentation to CEO group on “Rainmakers”

Web Site Update:

Charlie Melidosian and I met with John Fisher of Smith Bucklin to review their web site template to see if and how it could benefit us. We decided that our new .Net based web site will provide us with more flexibility in the long run (especially for the SIGs). We will work with Smith Bucklin to create a way for members to sign up for AITP online with the option of credit card payment of their dues. The dues go to AITP national and they return the Chapter portion to us. We are also investigating Paypal as a payment option for our Chapter and SIG events. We have begun our migration to the new web site.

CIO of the Year Award

We are beginning to solicit nominations for AITP’s CIO of the Year Award. Larry Buettner Chair will be facilitating the evaluation process. Check out www.AITPChicago.com for nomination form.

Please periodically check our web site for SIG meetings and other educational events over the summer and to be updated on our schedule for August and September.

Keep those articles, presentations and ideas coming. We look forward to seeing you at one of our SIG or Chapter meetings – **and don’t forget to bring a friend.**

Sincerely,

Paul F. Dittmann

Paul.Dittmann@AITPChicago.com

STUDENT SCHOLARSHIPS

The Windy City Chapter will award scholarships to members of sponsored student chapters. Two \$500 scholarships will be awarded at the April 2003 meeting. Student scholarships will be based on the results of the Student Individual Performance Awards (SIPA). Two \$500 student chapter awards will also be awarded to the two highest performing sponsored student chapters based on the results of Student Chapter Outstanding Performance Awards (SCOPA). Details on SIPA and SCOPA can be found at the AITP website (aitp.org) under *Manuals/Forms*. Submitted by: David D. Branigan, Ed.D, AITP Chapter Student Coordinator Board of Director at email dbranigan@tp.devry.edu

FREE MEMBERSHIP – STUDENTS

Did you know our chapter pays for the first year of full membership in our chapter to all student chapter graduates? Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at dbranigan@tp.devry.edu

AITP NATIONAL COLLEGIATE CONFERENCE

Three of our student chapters, Oakton Community College, DeVry University-Chicago and DeVry University-Tinley Park, attended the 2003 National Collegiate Conference at Purdue University from March 27-29. Students had the chance to hear keynotes from IBM and Robert Half Technology. Breakout sessions were provided by Microsoft, Cisco and others. A job fair afforded interviews with companies like State Farm Insurance and Wal-Mart. The general portion of the ACP exam was offered for free by ICCP. Opportunities existed to network with IT professionals, employers and AITP student from around the country. And there were the all important contests.

Hoping their students would win the coveted monetary prizes for the contests, our own Dave Branigan, Frank Della and Doris Gronseth, student chapter advisors from DeVry-Tinley Park, DeVry-Chicago and Oakton Community College respectively, brought their chapters to the conference. Oakton Community College came the closest as student chapter members Cristina Haumpton and Drago Stancu took honorable mentions in the JAVA competition.

The Windy City Chapter is sponsoring the student chapter from the University of Wisconsin Platteville. Dave Branigan, our student chapter coordinator, met their president, Josh Ducharme, at a session on student chapters and found that they had not been able to locate a sponsor. UW-Platteville students Josh Ducharme & Lee Zastrow took 4th Place Honorable Mention in COBOL and 3rd Place in Visual Basic.

About the Executives Club of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

Look forward to seeing you at one of these events. Please let me know if you are interested in seating at our reserved "C" level tables.

Golf Outing – June 2003 – Post Review and Thanks

The golf outing held June 18, 2003 attracted over 100 golfers. Weather gave us an extra hour of great networking. Attendees were attracted by a chance to have that one good shot that makes them come back for more, as well as golf carts, lunch, prime rib four course dinner and over \$7,000 in prizes. Not bad for only \$85.00 if they made a timely reservation. However, we could have 30 more golfers so why don't you mark next year's calendar on June 24, 2004 as the day that you will be with us to share in the camaraderie. GOT THAT! June 24, 2004 at Plum Tree National for AITP's Annual Golf Event.

So, I suppose that you'd like to know who did well. Here is this year's list:

Low Gross: Men – Nick Reimer - 75 (tournament record)

Low Gross: Women – Cheryl Buckingham – 109

Low Net: Men - Dennis Dron Women – Maribeth Anderson

Longest Drive: Men – Nick Reimer Women – Lisa Hansen

Closest to the Pin: Men – Tim Dowling Women – Cheryl Buckingham

Grossest Gross: Ko – Chun - 165

Now you've got to understand that an \$85.00 entry fee doesn't leave much room for prizes, does it? So where do we get those things like 32" TV's, \$600 pieces of software, cruises and cash. THE BUCKS COME FROM OUR BENEFACTORS. Marv says send them your business. This is where you want to buy and he won't take "No" for an answer.

Get out there and spend prudently with:

Microsoft

SkilGroup – John Dreyer - 847-981-5150 – Information Technology Staffing, Project Delivery and Remote Services.

Meridian Leasing Services – Roger Minale - 847-317-2230 - Leases everything in Technology.

SAS Corporation – Tony Vaisnoras - 312-819-6800 x8824

Computer Associates – Rich Barnier - 630-505-6615

Please come to our fall assortment of meetings that will benefit your career so that you will be at next year's outing. You will get to see Rich Barnier work magic with his digital camera who took pictures of all the foursomes. Please send any comments or thoughts about the outing to Marv Lund at converge@voyager.net.

EMPLOYER CALL TO ACTION

It is with great excitement that we bring to your attention a unique, employer-driven IT workforce development initiative for Chicago – ChicagoTechReach. This program has been made possible through a collaboration of several Chicago community-focused organizations: The Civic Committee of The Commercial Club of Chicago, Instituto del Progreso Latino, Shorebank Neighborhood Institute, West Side Technical Institute (City Colleges of Chicago), Manpower, and the Mayor’s Office of Workforce Development. We would like to offer you an opportunity to add your company’s name to this impressive list of dedicated community leaders by participating as a mentorship host.

AITP MEMBERSHIP

The membership numbers are in for the end of December 2002. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2002 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit. We solve all kinds of recruitment and training problems for all kinds of companies.

DeVry. It's your one source resource. Our Institutes of Technology turn out graduates who are highly skilled in a variety of fields: computers, business, telecommunications, electronics and accounting.

Our Keller Graduate School division produces skilled Master's level graduates in Business Administration (MBA), Accounting and Financial Management, Information Systems Management, Project Management, Human Resource

Management, and Telecommunications Management. And Keller's Center for Corporate Education provides customized training to meet the managerial and technical needs of companies like yours.

Our Becker-Conviser CPA Review prepares individuals for certification in public and managerial accounting. Since 1957, over a quarter-million CPAs have come from Becker's review course.

For more information, visit our Web site at www.devry.edu or call the number that fits your needs.

CIO of the YEAR AWARDS nominating committee are now accepting nominations. The awards will be presented in mid December time frame and this year I am told we will have Mayor Richard Daley presenting the awards. Check out web page for form at www.AITPChicago.com and submit your nominations. Questions please contact Co-Chair Larry Buettner at larrybuettner@earthlink.net

CTO's - our members have requested a new SIG group be formed for those CTO's or equivalent at their companies. We have several CTO's already signed up and are looking for more. Please email me if you are interested in getting together with your peers on a monthly basis to exchange ideas, network and build your resources. Rich.Barnier@AITPChicago.com
