Presidents Message

By Paul Dittmann

President's Message – April 2005

Special thanks to Mike Hugos, CIO of Network Services for his presentation on “Supply Chains for Competitive Advantage”. His presentation is available on our Chapter website, www.aitpchicago.com. Also thanks to Mike Altendorf, CIO of Ace Hardware, for hosting our March CIO SIG breakfast, and James Chorosevic, CTO of Ryerson Tull, for hosting our March CTO SIG breakfast.

Look at what's coming – more great vents

- **Monday, April 11 Chapter Meeting, Hossein Eslambolchi, President, CIO & CTO of AT&T Global Network Technologies** - speaking on the top 10 current trends in technology. Remember that this is also a charity event to raise money for the IT Resource Center. ITRC provides technology support for 400+ not-for-profit organizations in the Chicagoland area.

We already have 140+ registered for this fund raising event – we'd like 200

- **April 19th, CIO SIG Breakfast** – Hosted by John Golden, CIO of CNA.
- **April 20th CTO SIG Breakfast** – Hosted by Addison McGuffin, CTO of Health Care Service Corporation (BCBS)
- **May 5, CampIT Expo** – see www.campconferences.com for more information.
- **Monday, May 16 Chapter Meeting, Jon Stevens, CIO of CDW, the world's 8th largest E-Commerce Site.** In addition to being Corporate CIO, Jon also has full business unit responsibility for the web site portion of their business. Find out what it takes to run a World Class E-Commerce business.

We are using this event to help launch our new, improved eCommerce SIG, you will be receiving information shortly on its mission.

- **June 22 at Plumtree National – AITP's Annual Golf Outing – Register Early**

Please also support Executives' Club of Chicago events – April 7, 2005 - International Executive of the Year Award, Honoring Jeff Immelt, Chairman and CEO, General Electric Company. To find out how to attend at AITP's discounted rate, please contact Rich.Barnier@aitpchicago.com . See www.executivesclub.org for more information.

Please check our web site home page and the SIG pages for information of other events.

Web Site Link for Speakers – If you would like to present at one of our meetings or participate in a panel discussion on a particular topic, please either use the Speakers icon on our homepage or e-mail me. .

I look forward to seeing you at one of our SIG or Chapter meetings – **and don't forget to bring a friend.**

Sincerely,

Paul F. Dittmann
President, AITP Chicago

FREE MEMBERSHIP – STUDENTS

Student chapter members can save \$165 by joining the Windy City Chapter as interim members upon graduation. Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at Dave.Branigan@AITPChicago.com

FREE Project Management

Are you still waiting for headcount to increase? Project timetables falling through the cracks? Could you use some extra help? FREE!

DeVry University's capstone course, Senior Project, requires students to "apply knowledge and mastered skills, including problem-solving techniques and project-management methods, to an applications-oriented project."

You can take advantage of this opportunity to have senior-level computer information systems and network and communications management students do a project for you.

If the idea sounds intriguing, send Dave Branigan an email (david.branigan@aitpchicago.com) to find out how to get a project team working for you.

DeVry University Scholarship Programs

The price of higher education and the related issue of affordability are key concerns for the families of college applicants. DeVry is keenly aware of this issue.

As a response to address affordability and attract new students who would have a strong technology interest, we have developed several new scholarship programs. I have developed the list of DeVry University Scholarships. All of these scholarships are renewable if the student meets the prescribed level of academic achievement. For more information on any of these scholarships please contact Kerrie Flynn at our campus. She can be reached at extension 3582.

- * Dean's Scholarship HS students with an ACT score of 24 or higher must start DeVry within one year of graduation
- * Presidential Scholarship- the top ten Dean's scholars compete for two of these full tuition scholarships after a competitive essay is graded
- * Community Scholar Award- allows every HS in the state to award a \$1,000 scholarship to any student meeting our entrance criteria
- * Community College Scholarship allows any CC grad with a 3.3 CGPA to receive a \$1,500 per term scholarship.

* Community College Community Scholarship allows each regionally accredited two-year college to award a \$1,000 scholarship to any of their graduates meeting our entrance criteria

* Cisco Scholarship grants a graduate of a HS or CC CISCO Academy program to receive 1 \$1,200.00 per term scholarship.

These students will also receive some course credit for the ECT, NSA and NCM programs.

* FIRST Scholarship awards a \$1,00 per tem scholarship to students who competed in a regional FIRST Robotics competition.

* SkillsUSA VICA Scholarship awards a scholarship to HS seniors who place 1st, 2nd, or 3rd in selected competitions.

* Community College Scholar Award offers the opportunity for every regionally accredited two-year school to award one graduate a DeVry scholarship worth \$1,000.00 per term

For HS and CC faculty

* Fellowships Allows HS and CC faculty to take up to 12 undergraduate or 9 graduate credit hours and waive all tuition and application fees.

PROMOTION TO HELP CREATE NEW STUDENT CHAPTERS

Does your alma mater have a student chapter of AITP? Why not help get one started. AITP is conducting a promotion targeted to help establish new student chapters. For new student chapters formed by May 31, 2005, each charter member will be able to join for \$25 versus the usual \$35 annual student membership rate. This promotion applies to applications included with the new student chapter charter application paperwork submission to HQ.

So, contact your alma mater and help them start a student chapter today. For more information contact Dave Branigan, Student Chapter Coordinator for the Windy City Chapter, at david.branigan@aitpchicago.com.

National Collegiate Conference

Spring, 2005 in Atlanta

Oakton Community College, University of Wisconsin / Platteville, and DeVry Tinley Park were part of the group of 762 who attended NCC. Oakton and UWP had some winners in the competitions. A good time was had by all.

We would like to see all Windy City student chapters in attendance next year as the NCC moves to Atlanta.

About the Executives Club of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

For more information on this and other programs please contact:

AITP Chicago Sponsored Events

TechForum/ABPMP Event at The Union League Club of Chicago, Thanks, David

Author's Luncheon: Thursday, April 14th, 2005 from 11:30 - 1:00 PM at The Union League Club of Chicago

Peter Fingar, Author of *The Real-Time Enterprise* and co-author of *Business Process Management - The Third Wave*. Fingar will be discussing how deep structural changes -- made possible by business process innovation -- have enabled companies to reinvent the fundamental ways they operate their businesses. Most companies have plenty of innovative ideas for change, but they've lacked the capability to execute on those ideas -- until now. Companies that transform their operations by mastering the new competitive weapon, the "strategy-execution" machine, will prosper in the decades ahead.

Presented by the ABPMP Chicago Chapter in coordination with The Union League Club of Chicago's TechForum.

The Chicago Chapter of The Association of Business Process Management Professionals is a non-profit, vendor independent professional organization dedicated to the advancement of business process management concepts and its practices. For more information and to register go to:

AITP MEMBERSHIP

The membership numbers are in for the end of December 2004. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2004 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit.
