## Happy Holidays

The AITPChicago Board of Directors would like to say “Happy Holidays” and “Thanks Fo A Great Year”.

## Presidents Message

By Paul Dittmann

Although this was AITP Chicago's 12<sup>th</sup> **CIO of the Year Award**, this is the first year the award was co-sponsored by THE EXECUTIVES CLUB OF CHICAGO. This is part of our continuing effort to raise the profile of IT in the executive suite and to recognize those executives that have earned respect as business leaders within their organizations. The award was presented by Jonathan Ward, Chairman & CEO of the ServiceMaster Company and First Vice President of THE EXECUTIVES' CLUB. Congratulations to our CIO of the Year for 2003, William McNight Farrow III, Vice President and CIO of the Chicago Board of Trade.

Our congratulations also go out to William Haser of Tenneco Automotive and Scott Johnston of the Chicago Mercantile Exchange who were recognized as Outstanding CIO. Other finalists were Jon Stevens of CDW, Mark Griesbaum of Career Education and Pat Moroney of Blue Cross Blue Shield of Illinois. The quality of our finalists demonstrates the breadth and depth of our IT community here in Chicago.

**Research Awards** – Letters of Solicitation for white papers have gone out to many of the universities in the Chicagoland area. We will evaluate the proposed topics and award \$2000 grants to one or more of the respondents. We feel that these white papers, along with the best practice documents being generated by our Special Interest Groups will continue to expand the value we are providing to our members and to the IT community in general.

**November & December Meetings** –We recognize that all of us have very busy calendars between mid-November and New Year's, but AITP does still have some valuable events it is sponsoring or supporting so **please check out our web site on a regular basis.**

As always, keep those articles, presentations and ideas coming. They are appreciated and are the foundation of the value we provide to our membership.

Remember to take advantage of the events sponsored by the Executive Club of Chicago ([www.executivesclub.org](http://www.executivesclub.org)). I look forward to seeing you at one of our SIG or Chapter meetings – **and don't forget to bring a friend.**

Keep those articles, presentations and ideas coming. Feel free to contact me or any of the SIG leaders and Board members.

Sincerely,

Paul F. Dittmann

## **Sales Leadership & Development Community of Practice**

### **Distribution Industry Briefing Featuring Bob Lewandowski, CIO, ASAP Software.**

*Wednesday, December 10, Metropolitan Club, Sears Tower, 67th Fl*

ASAP Software® is the IT industry's first software services provider and provides a fast, reliable, and economical way to acquire software, services, and related products in every practical form. ASAP works with large and mid-tier organizations headquartered in North America and Europe that seek to manage software assets more efficiently.

ASAP manages volume license agreements (VLAs) for corporate and government clients, representing millions of PCs in more than 100 countries worldwide. In addition, ASAP provides computing solutions any way you want them: software-as-a-service, PC software licenses, shrink-wrapped software, and software subscriptions.

ASAP has a major presence on two continents, with world headquarters located in suburban Chicago, Illinois and European headquarters on the outskirts of Paris, France. In addition, ASAP is a Buhrmann Company (AEX: BUHR; NYSE: BUH). As an international business-to-business services and distribution group, Amsterdam-based Buhrmann is the world's major supplier of office products and graphic systems for the business market. By leveraging their 25,000 employees in 30 countries, ASAP helps manage technology assets wherever they may be.

For information on the October meeting, please contact Gerry Parran at (847) 644-2699 or [gerry.parran@aitpchicago.com](mailto:gerry.parran@aitpchicago.com).

## **FREE MEMBERSHIP – STUDENTS**

Did you know our chapter pays for the first year of full membership in our chapter to all student chapter graduates? Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at [dbranigan@tp.devry.edu](mailto:dbranigan@tp.devry.edu)

### **The Betty Stevens-Frecknall Scholarship**

Betty Stevens-Frecknall Scholarship committee has selected the recipients for the 2003-2004 academic year.

Betty Stevens-Frecknall was a member and leaders in the Washington, DC Chapter of AITP. She always had a strong focus on education and left part of her estate to promote the education of deserving students. The Board of Directors of the Washington DC Chapter asked AITP's Foundation for Information Technology Education to accept the funds from Betty's estate and establish the Betty Stevens-Frecknall Scholarship Endowment that is administered by the Foundation for Information Technology Education.

Recipients must be full-time students pursuing a degree in Information Technology.

This scholarship is awarded on the basis of scholastic ability, leadership potential and financial need.

This year the student's that will be awarded scholarships towards their education are:

James Mottola Park, IL	\$2000	DeVry Institute, Tinley
Teresa Webb Charles, MO	\$1000	Lindenwood University, St.
Usman Uddin Oxford, MS	\$1000	Univ. of Mississippi,

Congratulations to the winners and thanks to the other finalists, all of who were very deserving!!

Speaker/Topic/Theme:

**Speaker:** Shawn Travers

**BIO:** Shawn was the key presenter at Microsoft's Office System 2003 throughout many locations in the US. Shawn has B.A. Economics and Information Technology, Indiana University, Bloomington, Indiana. Shawn has been quoted in local newspapers, such as the Milwaukee Journal Sentinel, and appeared on television several times, including twice on Fox News In the Morning, "Wake Up to Technology."

**Topic/Theme:** Learn about the strategic business value of moving to Office System 2003

Microsoft continues to release new versions of Office. Office System 2003 represents a significant business opportunity for anyone looking to gain control over those thousands of data pockets scattered across the company. Imagine if you had easy access to all that data, both in databases and in the minds of your co-workers via the easy to use Office and Internet Explorer interfaces. Microsoft will discuss the incremental business value of Office System 2003, through InfoPath (one stop data entry and data access), SharePoint (team and enterprise web collaboration), and some pretty impressive security enhancements.

How to register:

Please register using the meeting link on the [www.aitpchicago.com](http://www.aitpchicago.com) web site before noon on the Friday before the event. We have to provide the restaurant with an estimate of the attendance. You may also use the web link over the weekend. For late registrations and cancellations on the day of the event, please call Paul Dittmann at 312-264-5669.

## About the Executives Club of Chicago

### Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

### Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

**Look forward to seeing you at one of these events. Please let me know if you are interested in seating at our reserved "C" level tables.**

**AITP MEMBERSHIP**

The membership numbers are in for the end of December 2002. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2002 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit. **CIO of the YEAR AWARDS** nominating committee are now accepting nominations. The awards will be presented in mid December time frame and this year I am told we will have Mayor Richard Daley presenting the awards. Check out web page for form at [www.AITPChicago.com](http://www.AITPChicago.com) and submit your nominations. Questions please contact Co-Chair Larry Buettner at [larrybuettner@earthlink.net](mailto:larrybuettner@earthlink.net)

**CTO's** - our members have requested a new SIG group be formed for those CTO's or equivalent at their companies. We have several CTO's already signed up and are looking for more. Please email me if you are interested in getting together with your peers on a monthly basis to exchange ideas, network and build your resources.
