Monthly SIG's

Several interest groups meet monthly on a wide range of topics/interests. See page 12 for details and contact one of the chairs.

Executive IT/CIO SIG Breakfasts

These gatherings are scheduled monthly. For further information please send email to Rich.Barnier@AITPChicago.com .

OPEN SIG CHAIRS

Our Disaster Recovery SIG and Consulting SIG are looking for individuals to become Chair or Co-Chair of these SIG groups. Please contact Paul.Dittmann@AITPChicago.com with your interest and questions.

Happy New Year

From the
AITP Board of Directors

Presidents Message

By Paul Dittmann

President's Message – January 2006

Special Interest Groups

Happy New Year from AITP Chicago!

We're off and running for another exciting year. 2005 was good for AITP Chicago and we were again able to make holiday donations to both I.C. Stars and the IT Resource Center. We expect 2006 to be even better and appreciate your continued support. Keep watching our web site for information on upcoming events and feel free to make suggestions as to topics and classes you think will be of value to our members.

Microsoft Launch - SQL Server 2005 Launch Presentation at January 9th Chapter Meeting

As part of our relationship with Culminis, Steve Doty, Manager, Data Management at Wheels, Inc. worked with a select group of Microsoft's customers to participate in pre-launch training for SQL Server 2005. At an upcoming meeting Steve will present the findings of the group – a great way to get a customer view of the new offering and to help you determine where it may fit in your environment. Check the www.aitpchicago.com periodically for updates.

Another Special Dinner Meeting in April to support the IT Resource Center

For those 150+ that attended our Special Meeting last year and were treated to an entertaining presentation by the Chief Security Office of AT&T, we have another great event planned for this year. We are in discussions with Cisco and should have more information towards the end of January. The IT Resource Center provides free IT consulting services for the 400+ not-for-profits in the Chicago area. It's for a great cause and will provide an opportunity for you to hear from industry leaders.

Please also support The Executives' Club of Chicago events – To find out how to attend at AITP's discounted rate, please contact Rich.Barnier@aitpchicago.com. See www.executivesclub.org for more information.

Special Interest Groups

Please look at both our home page (www.aitpchicago.com) and the corresponding SIG pages for information on upcoming events. There will be a **IT Governance SIG meeting at Tellabs on January 17th** and an **Outsourcing SIG meeting at TTX on January 26th**. Other events will be posted as information becomes available.

How can you help – Participate, and encourage your staff to participate, by attending meetings, recommending suggested meeting topics or volunteering to help develop white papers. If you have an important business or technology issue that you need help with, talk with our SIG

leaders and learn how they can help. The SIGs are resources you can use to help you and your organizations succeed – but only if you take advantage of them.

Take the first step. Look at our SIG page and see which ones are of interest to you or your associates. Call the SIG leaders to find out how you can help them, and in turn, help yourself.

Web Site Link for Speakers – If you would like to present at one of our meetings or participate in a panel discussion on a particular topic, please either use the Speakers icon on our homepage or e-mail me at paul.dittmann@aitpchicago.com . . .

I look forward to seeing you at one of our SIG or Chapter meetings – **and don't forget to bring a friend.**

Sincerely,

Paul F. Dittmann
President, AITP Chicago
Paul.Dittmann@AITPChicago.com

FREE MEMBERSHIP – STUDENTS

Student chapter members can save \$165 by joining the Windy City Chapter as interim members upon graduation. Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at Dave.Branigan@AITPChicago.com

FREE Project Management

Are you still waiting for headcount to increase? Project timetables falling through the cracks? Could you use some extra help? FREE!

DeVry University's capstone course, Senior Project, requires students to "apply knowledge and mastered skills, including problem-solving techniques and project-management methods, to an applications-oriented project."

You can take advantage of this opportunity to have senior-level computer information systems and network and communications management students do a project for you.

If the idea sounds intriguing, send Dave Branigan an email (david.branigan@aitpchicago.com) to find out how to get a project team working for you.

DeVry University Scholarship Programs

The price of higher education and the related issue of affordability are key concerns for the families of college applicants. DeVry is keenly aware of this issue.

As a response to address affordability and attract new students who would have a strong technology interest, we have developed several new scholarship programs. I have developed the list of DeVry University Scholarships. All of these scholarships are renewable if the student meets the prescribed level of academic achievement. For more information on any of these scholarships please contact Kerrie Flynn at our campus. She can be reached at extension 3582.

- * Dean's Scholarship HS students with an ACT score of 24 or higher must start DeVry within one year of graduation
- * Presidential Scholarship- the top ten Dean's scholars compete for two of these full tuition scholarships after a competitive essay is graded
- * Community Scholar Award- allows every HS in the state to award a \$1,000 scholarship to any student meeting our entrance criteria
- * Community College Scholarship allows any CC grad with a 3.3 CGPA to receive a \$1,500 per term scholarship.

* Community College Community Scholarship allows each regionally accredited two-year college to award a \$1,000 scholarship to any of their graduates meeting our entrance criteria

* Cisco Scholarship grants a graduate of a HS or CC CISCO Academy program to receive 1 \$1,200.00 per term scholarship.

These students will also receive some course credit for the ECT, NSA and NCM programs.

* FIRST Scholarship awards a \$1,000 per term scholarship to students who competed in a regional FIRST Robotics competition.

* SkillsUSA VICA Scholarship awards a scholarship to HS seniors who place 1st, 2nd, or 3rd in selected competitions.

* Community College Scholar Award offers the opportunity for every regionally accredited two-year school to award one graduate a DeVry scholarship worth \$1,000.00 per term

For HS and CC faculty

* Fellowships Allows HS and CC faculty to take up to 12 undergraduate or 9 graduate credit hours and waive all tuition and application fees.

AITP SIG AND SUPPORTED EVENTS

Association of Information Technology Professionals (AITP) Dinner Meeting Events information

Date and Time: January 9th, 2006, 5:30 Registration, Presentation at 6:30 and Dinner 7:45

Location: Lamirage Restaurant (On Algonquin Road just few blocks east of Route 53)
3224 Algonquin Road
Rolling Meadows, IL
847-222-1222

Event Type: Presentation and Dinner

Sponsor: Association of Information Technology Professionals AITP

Price: Members \$30, Nonmembers \$40, Students \$20, at the door add \$5

Topic/Theme: SQL 2005 – Moving Past the Hype to Value

The launch of SQL Server 2005 has finally come. Much has been said about the virtues of SQL 2005 through various marketing and product release channels. It is time to move past the hype and break down the SQL 2005 product space by identifying the value added features and functions that will enable businesses to drive faster results, enable better decisions, and build on a trusted platform. This session will discuss the real value of SQL Server 2005 and the benefits businesses will realize by moving to this new database environment.

Speakers: Steve Doty

Steve is the Data Management Manager and Enterprise Data Architect for Wheels Inc. He has played various roles in managing the database management space for the past 15 years. He has a strong background in architecting and designing data, database and infrastructure environments in support of business applications, data warehouse and business intelligence functions. Steve brings a strong data, technology, and strategic perspective to this topic.

How to register:

Please register using the meeting link on the www.aitpchicago.com web site before noon on the Friday before the event. We have to provide the restaurant with an estimate of the attendance. You may also use the web link over the weekend. For late registrations and cancellations on the day of the event, please call Paul Dittmann at 312-264-5669.

ABN AMRO Global Outsourcing Initiative

Thursday, January 26, 2006; 8:00 am; Place: TBD downtown Chicago

We are pleased to welcome Mr. Lauro Azambuja of ABN AMRO as our featured speaker for the upcoming Outsourcing SIG meeting. Mr. Azambuja will speak on ABN AMRO's recent global outsourcing initiative.

As part of remarks, he will explain: how things were done prior to the outsourcing arrangement; the rationale for the outsourcing initiative, the RFI process; vendor selection & negotiations; service level agreements - ABN AMRO / vendors and vendor / vendor; and the current state.

To register or for more information, please contact Gerry Parran at gerry.parran@aitpchicago.com or Joe Gillespie at joe.gillespie@aitpchicago.com. The fee for this meeting will be \$30 for AITP members and \$35 for non-AITP members - Continental Breakfast Included. You can make payment with cash or check (made out to AITP) at the door. Credit cards will not be accepted at the door. You can also [register at the AITP web site](#).

AITP VMS SIG

Upcoming HIGH TECH CONFERENCES

March 21, 2006

Conference Topic: Capitalizing on Information to Drive Innovation

The ability to innovate brings in new competitors to mature markets and can widen the gap between market leaders and market followers. Over the past 10 years, a large percentage of technology budgets have focused on transaction processing and integration to support business processes. Now, with a wealth of information residing within each business about their customers and suppliers organizations are in a position to leverage this knowledge to drive innovation that matters to customers.

June 7, 2006

Conference topic: The Challenges/Changing/Emerging Global Workforce

In many Chicago industries the demographic of the business and IT workforce is in flux. Experienced employees are retiring, often taking a wealth of knowledge with them. Young people are entering the workforce with much different expectations about their relationship with their employers that existed 15 years ago. Focus will be on the nature of the work force change, and what options organizations have.

AITP TABLE SEATING AT CEO MEETINGS and HIGH TECH CONFERENCE

Cost for CEO lunch is \$55, breakfast is \$35 for AITP/TLA Members. Mail check to Rich Barnier, 490 Phillips Ave, Glen Ellyn, IL. 60137. Tickets to High Tech Conference Series are free to AITP/TLA members and \$150.00 to non-members. Please send email to Rich Barnier reserve your ticket 7 days before CEO lunch or High Tech Conference Series date to Rich.Barnier@AITPChicago.com

About the Executives Club of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

For more information on this and other programs please contact:

The membership numbers are in for the end of December 2004. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2004 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit.
