Presidents Message
By Paul Dittmann

President's Message – June 2004

As you probably know, we don't have Chapter Meetings in June in July. June is our Golf Outing and we take July off. Dennis Macumber, our Programs Chair, is already meeting with several of our CIOs to come up with topics and speakers for August and the fall meetings. Our meeting attendance for the first half has been well above last years and we expect this trend to continue. With the continued growth of our SIG groups, total attendance at AITP Chicago events far exceeds the offerings of any of the other Chapters. We also are planning more classes and workshops for the fall, so remember to visit our web site periodically to keep up-to-date on new events. You should all congratulate yourselves for an excellent year, since you are the ones that have made our Chapter so successful.

Have a great summer!

Project Management Class Gets Rave Revues

Thanks again to John Braly, Vice President of Information Technology of TTX for hosting our May 5 & 6 Project Management Class. And thanks to our two instructors, Lynn Wendt of Transunion and Joe Wroblewski. Twenty-two of our AITP members took advantage of the offering and feedback was terrific.

Infrastructure SIG – Their next meeting is on June 3rd at American Express in downtown Chicago. There will be a panel discussion on **Infrastructure and Regulation Compliance (SOX, Basel, etc)**.

CAMP IT Expo – June 10, 2004 at the Donald E. Stephens Convention Center in Rosemont, IL - It's that time of year again for the CAMP IT Expo. This year there are 45 separate sessions in 10 tracks. It is free to corporate technology professionals. Vendors are not allowed in the sessions, but there is a separate exhibition area. This Expo has been providing value to IT professionals for many years. For more information visit www.campconferences.com. Put "AITP" in the Registration Code box on the registration application to participate in a drawing for a gift certificate from AITP.

Executives Club of Chicago, High Tech Conference - June 15, 2005 – We have some free tickets available on a first come, first serve basis. Send an e-mail to Rich.Barnier@aitpchicago.com if you would like to attend.

AITP Annual Golf Outing – June 23rd at Plumtree National – Win a car and many other prizes. Everyone goes home a winner, even if they play as poorly as Rich and I. Visit our website at www.aitpchicago.com for more information and to make a reservation.

As always, keep those articles, presentations and ideas coming. And, remember to take advantage of the events sponsored by the Executive Club of Chicago (www.executivesclub.org). I look forward to seeing you at one of our SIG or Chapter meetings – **and don't forget to bring a friend.**

Sincerely,
Paul F. Dittmann
Paul.Dittmann@AITPChicago.com

FREE MEMBERSHIP – STUDENTS

Did you know our chapter pays for the first year of full membership in our chapter to all student chapter graduates? Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at Dave.Branigan@AITPChicago.com

FREE Project Management

Are you still waiting for headcount to increase? Project timetables falling through the cracks? Could you use some extra help? FREE!

DeVry University's capstone course, Senior Project, requires students to "apply knowledge and mastered skills, including problem-solving techniques and project-management methods, to an applications-oriented project."

You can take advantage of this opportunity to have senior-level computer information systems and network and communications management students do a project for you.

If the idea sounds intriguing, send Dave Branigan an email (david.branigan@aitpchicago.com) to find out how to get a project team working for you.

Chapters Forming

The Windy City Chapter is pleased to announce our newest student chapter at the ITT Technical Institute in Burr Ridge. The faculty advisors are Dr. Jose Philip and Marquita N. Curry. The officers are President, Monica Chacon; Vice-president, Trevor Hernendaz; Secretary, Peter Ptak; and Treasurer, Ed Gomez.

**Association of Information Technology Professionals (AITP)
Dinner Meeting Events information**

Since we have our Golf Outing, there is not a June Chapter Meeting. Also, July is a free month so no meeting in July.

We will update you as soon as we can for our August Chapter meeting.

Have a great summer!

JUNE GOLF OUTING FOR AITPChicago

SAS is pleased to announce our sponsorship of the annual AITP golf outing. In addition, SAS is also proud to sponsor a hole at the tournament. Be sure to attend the event, as all participating golfers will receive a prize at our golf hole, compliments of SAS.

SAS is the world's leader in business analytics software, delivering the breakthrough technology you need to transform the way you do business. Our software provides one integrated process for analyzing data from every source and gaining the predictive power to drive change at every level. **Go to page 9 for the registration form**

Hole In One Prize: Pair of 2ct Diamond Stud Earrings worth \$8000!

GM Casting House is the Midwest's Largest Fine Jewelry Manufacturer. We are located in the heart of Jewelers Row in Chicago and provide custom made jewelry to more than 500 retail jewelry stores nation-wide. We are pleased to announce our sponsorship of the 2004 AITP Annual Golf Outing.

When you sign in at the GM Casting House table at registration, you become eligible to win our Hole In One, Longest Drive and Closest to the Pin contests. In addition to the prizes, we will present each registered participant with a Personal ID Card which will allow you to buy jewelry directly from GM Casting House. We are very selective with whom we do business on an individual basis and are committed to attentive, client-centered service, sitting one-on-one with each person by appointment only.

Because we supply jewelry stores with their merchandise, our wholesale prices tend to be a substantial discount below retail pricing levels.

See you on the links.

GM Casting House, 5 South Wabash #614 Chicago, IL 60603
Suzanne Bayles, VP Sales & Marketing

Hole in One Prize - WIN A BRAND NEW CAR! - Look for more information coming soon!

*****NEW*** Infrastructure AITP SIG**

Installing and maintaining server security has become a time critical and an around-the-clock job. The challenges facing server security management range from time critical virus detection updates to upgrading applications to process on supportable, defendable operating systems. In addition to challenges of managing the security components, there is also the funding hurdle to justify the cost of security. Plus there is the education aspect that can raise awareness of risky behavior and personal responsibility to make security everybody's business.

This SIG is open to those responsible for infrastructure in their companies (no vendors). It will provide an opportunity for key people to share their experiences with their peers and to help define best practices in infrastructure support.

The group will meet monthly alternating between downtown Chicago and the suburbs. The topics will include purchasing, business continuity, and security. Members may choose to attend bi-monthly or monthly.

There will be regular topical discussions at the meeting followed each time by a sharing and documenting of best practices in the topic areas. The members will decide the discussion topics.

Some of the areas for discussion will be: platforms, storage, servers, and operating systems, emerging technologies, enterprise computing, databases, mobile computing and wireless.

Need not be an AITP member to join the Infrastructure SIG.

Next meeting:

Topic: Regulation compliance (SOX, Hipaa, Basel, Homeland Security)

Date: Monday, June 3, 2004

Time: 11:00 am to 1:00 pm

Place: American Express

1 North Wacker

Chicago

Reservations Required

RSVP. Kathy Harden, 630-990-3990.

**About the
Executives Club**

of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

Look forward to seeing you at one of these events. Please let me know if you are interested in seating at our reserved "C" level tables.

Your friend in IT,
Richard C. Barnier Chair CEO/CIO Focus Groups

AITP MEMBERSHIP

The membership numbers are in for the end of December 2002. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2002 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit. Contact Kathleen Ladner at kathleen.ladner@AITPChicago.com

We solve all kinds of recruitment and training problems for all kinds of companies.

DeVry. It's your one source resource.

Our Institutes of Technology turn out graduates who are highly skilled in a variety of fields: computers, business, telecommunications, electronics and accounting.

Our Keller Graduate School division produces skilled Master's level graduates in Business Administration (MBA), Accounting and Financial Management, Information Systems Management, Project Management, Human Resource

Management, and Telecommunications Management.

And Keller's Center for Corporate Education provides customized training to meet the managerial and technical needs of companies like yours.

Our Becker-Convser CPA Review prepares individuals for certification in public and managerial accounting. Since 1957, over a quarter-million CPAs have come from Becker's review course.

For more information, visit our Web site at www.devry.edu or call the number that fits your needs.

Rich.Barnier@AITPChicago.com

CTO's - our members have requested a new SIG group be formed for those CTO's or equivalent at their companies. We have several CTO's already signed up and are looking for more. Please email me if you are interested in getting together with your peers on a monthly basis to exchange ideas, network and build your resources. Rich.Barnier@AITPChicago.com
