OPEN SIG CHAIRS

Our Disaster Recovery SIG and Consulting SIG are looking for individuals to become Chair or Co-Chair of these SIG groups. Please contact Paul.Dittmann@AITPChicago.com with your interest and questions.

Happy Holidays

The AITPChicago Board of Directors would like to say “Happy Holidays” and “Thanks For A Great Year”.

Presidents Message

By Paul Dittmann

After a successful 2003, our new Board is committed to continuing our Chapter's growth and providing more value to our members. Additional SIG groups have already been started or are forming – CTO SIG, Infrastructure SIG, Project Management SIG. In addition, we are trying to re-energize the Business Continuity and Security SIGs. We are also encouraging more of our SIG groups to work on Best Practices white papers for their respective areas. If you are interested in participating in any of these group, feel free to contact me, Lise Gorajski, the SIG Liaison, or one of the SIG leaders.

Recent and Upcoming Events:

Our February Chapter meeting once again had great attendance (Our January and February dinner meetings had a combined attendance of 113). Bill Cook did an excellent job of reminding us of how little we know about all of the cyber security risks we are unknowingly assuming every day. Feedback from our members has been very positive.

Our **March 8** Meeting on the “**Future Directions Impacting Information Technology**” will give you an opportunity to learn about the latest trends, both domestically and globally. The presentation, by Dr. Mackie of N.I.U. and Dr. Branigan of DeVry will cover the coming business changes that will impact IT and give you insight as to how to leverage new technologies to address these inevitable challenges.

Our **April 12th** meeting will discuss the “**Best Practices Guide for Vendor Management Systems**” that was developed by our Vendor Management SIG. Cindy Goss, our SIG Chair from TransUnion LLC, and Vendor Management representatives of 20+ major Chicago area companies have spent the past 12 months developing this Guide. It will be of extreme value to any company trying to successfully leverage outside technology resources as part of their strategy, as well as to IT consulting firms wanting to learn how to better serve their clients.

April 13th CAMP – BrandIT Seminar – Check out our web site for information on CAMP's Bran

May 5-6, Project Management Workshop – AITP will be sponsoring a 2-project management workshop focusing on delivering successful software development project. More information will follow. There will be no charge for AITP members; the fee for non-members will be \$995.

Additional Co-Sponsored Events – Please check out our web site for technology events sponsored by CAMP and by The Executives Club of Chicago.

Mentor and Intern Programs – If you know of anyone wishing to participate in our Mentor or Intern program, either as a sponsor or participant, please contact Terry Hinaris or Dave Branigan. We are always looking to topics, speakers and articles of interest for our members. Please contact me via e-mail or telephone with suggestions. I look forward to seeing you at one of our upcoming events.

Sincerely,

Paul F. Dittmann
President, AITP Chicago
Paul.Dittmann@aitpchicago.com

FREE MEMBERSHIP – STUDENTS

Did you know our chapter pays for the first year of full membership in our chapter to all student chapter graduates? Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at Dave.Branigan@AITPChicago.com

FREE Project Management

Are you still waiting for headcount to increase? Project timetables falling through the cracks? Could you use some extra help? FREE!

DeVry University's capstone course, Senior Project, requires students to "apply knowledge and mastered skills, including problem-solving techniques and project-management methods, to an applications-oriented project."

You can take advantage of this opportunity to have senior-level computer information systems and network and communications management students do a project for you.

If the idea sounds intriguing, send Dave Branigan an email (david.branigan@aitpchicago.com) to find out how to get a project team working for you.

2004 AITP Collegiate Conference Information

The Omaha Courtyard by Marriott has established a block of rooms for the AITP Collegiate Conference April 1st -3rd. You will receive a group rate of 79.00 + tax when you ask for the AITP group rate. We are just 2 blocks from the Hilton Omaha.

We offer Free High Speed Internet and Free Parking!!!!!!!!!!!!!!
We also have an indoor pool and hot tub.

Please check out our web site at <http://www.courtyard.com/omacy> or call me if you have any questions.

Chapters Forming

Two new student chapters are in the formation stage. ITT Tech in Burr Ridge is in the process of writing a constitution and by laws. Paul Dittmann has notified AITP National that the Windy City Chapter intends to sponsor ITT Tech in Burr Ridge. They will soon be submitting their official request to become a student chapter. DePaul University has identified 5 students who wish to form a chapter and are busy trying to find additional students for the requisite 10 members to form a student chapter.

Association of Information Technology Professionals (AITP) Dinner Meeting Events information

Date and Time: March 8, 2004, 5:30 Registration, Presentation at 6:30 and Dinner 7:45

Location: Lamirage Restaurant (On Algonquin Road just few blocks east of Route 53)
3224 Algonquin Road
Rolling Meadows, IL
847-222-1222

Event Type: Presentation and Dinner

Sponsor: Association of Information Technology Professionals AITP

Price: Members \$30, Nonmembers \$40, Students \$20, at the door add \$5

Topic/Theme: Future Directions in Information Technology – considering the impact of the technology itself, business trends, globalization, and outsourcing.

While no one can perfectly predict the future we must consider the possibilities and how they can impact our business. Information technology has gone through many changes throughout it's life accelerated by the dynamics of business and pace of change today. **Globalization; Increased market potential; Rapid changes; Improved communications; Increased competition; Distributed work force; Change in the way people buy, *are some of the things that impact our world of IT.*** Join us as we take a peak into the future and consider how it will impact your plans.

Speakers: Brian Mackie and David D. Branigan

Bio: Brian is Professor of Management Information Systems at Northern Illinois University. He teaches Business Operating Environments, Databases and On-line Collaborative Environments. He has a Masters Degree in Computer Science from Loyola University of Chicago and a Phd in Management Information Systems from the University of Iowa. He has worked with Corporations developing training software. He is the lead developer for a new on-line Collaboration system called CAMS.

Bio: Dave is Professor of Computer Information Systems at DeVry University in Tinley Park where he prepares tomorrow's Information Technology professionals. He has worked as a training consultant for Intel, Cullinet and ACI assisting IT professionals in learning new technologies. For MicroTrends, in the mid 80's, Dave was developing CD-ROM authoring tools before many in the industry had heard of CD-ROM. As Systems Manager of Training for Marshall Field's IT department he hired and trained entry level IT professionals. He is currently Director of Student Education for our Chicago chapter of AITP.

How to register:

Please register using the meeting link on the www.aitpchicago.com web site before noon on the Friday before the event. We have to provide the restaurant with an estimate of the attendance. You may also use the web link over the weekend. For late registrations and cancellations on the day of the event, please call Paul Dittmann at 312-264-5669.

Upcoming AITPChicago Dinner Meeting Events information

<i>Month</i>	<i>Topic</i>
April	Best Practices in Vendor Relations

AITP SALES LEADERSHIP COMMUNITY OF PRACTICE MEETINGS

February Sales Leadership Community of Practice Featured Speaker: Gary Matula, CIO, Molex

The Sales Leadership Community of Practice SIG was pleased to have Gary Matula of Molex as our speaker. This month's meeting was held at the DuPage Club in Oakbrook Terrace.

Gary provided a presentation, which included market information on the key trends in IT. Gary also presented how Molex is following some of those trends with the work they are doing internally.

Some of the trends and issues Gary discussed included:

- The squeeze on SG&A
- Importance of good portfolio and project management
- No "killer app" in the market currently
- ERP has plateaued
- CRM and SCM markets are maturing
- Services revenues are down

Gary cited 5 business cases from Molex that illustrate their experiences (good and bad) with vendors.

One of the most compelling parts of the presentation included Gary's comments on "Return on Value" and measuring value (NPV, use of metrics at particular points in a given process, and others).

For information on upcoming meetings, please watch the Sales SIG page on the AITP Chicago web site, www.aitpchicago.com. If anyone has any questions or would like more information on our Community of Practice, please contact Gerry Parran at (847) 644-2699 or gerry.parran@aitpchicago.com.

AITP Electronic Commerce SIG (ECSIG)

DATE: March 25, 2004 (Thursday)

SPEAKER: Nahid Jilovec, Vice President, PSC Group, LLC

TOPIC: The Challenges with UCCnet

DESCRIPTION: For many, UCCnet is not an option, but an imperative being handed down by big box retailers. The usual suspects, led by several home improvement retailers and Wal-Mart, are attacking the next 'point of inefficiency'- product data synchronization. With cost savings estimated at \$1 MM for every \$1 BB in sales, product data cleansing and sharing, using UCCnet is the next wave of major effort as suppliers rush to compliance. But how do you prepare your business processes and technology solutions without spending a ton of money? Which UCCnet solution is best for you? And how do you avoid the pitfalls? In this session, Nahid will explain some of the top challenges companies are facing today in a rush to be UCC-compliant and review what other companies are doing to keep pace.

TIME & PLACE: 11:30AM to 1:00PM at LaMirage Restaurant; 3224 Algonquin Road, Rolling Meadows, IL 847-222-1222

REGISTER: Please email the AITP EC Forum SIG at ECommerceForum@comcast.net with your registration requests. The subject line must contain word 'RESERVATION'. Please include the names, company name, and email addresses of all those attending. If you would like to be added to our mailing list, please include the word 'SUBSCRIBE' in the subject line.

FEES: AITP Members \$20, Non-Members \$40

About the Executives Club of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

Look forward to seeing you at one of these events. Please let me know if you are interested in seating at our reserved "C" level tables.

Your friend in IT,

Richard C. Barnier Chair CEO/CIO Focus Groups

AITP MEMBERSHIP

The membership numbers are in for the end of December 2002. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2002 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit. Contact Kathleen Ladner at kathleen.ladner@AITPChicago.com

CTO's - our members have requested a new SIG group be formed for those CTO's or equivalent at their companies. We have several CTO's already signed up and are looking for more. Please email me if you are interested in getting together with your peers on a monthly basis to exchange ideas, network and build your resources. Rich.Barnier@AITPChicago.com
