Presidents Message

By Paul Dittmann

President's Message – October 2005

CIO of the Year Award – Make your reservations early!

Again this year the Executives Club of Chicago and AITP's Chicago Chapter are co-sponsoring the CIO of the Year Award. This has become one of the most respected technology awards in the country. The submissions are judged by a panel comprised primarily of past award winners and finalists. Although it would not be appropriate for me to vote, I have helped facilitate the selection discussions the past two years and I assure you our judges take their jobs seriously. They are looking for specific, measurable achievements not generalized PR type claims. Last year's winner was Pat Moroney of HCSC and the 2003 winner was William Farrow of the Chicago Board of Trade. The 2005 CIO of the Year Award Recipient will be announced on Wednesday, **October 19** at the Executives Club of Chicago's Technology Conference from 2-4 PM at Hilton Chicago.

As an AITP member, you can obtain a **free pass to the Technology Conference** by sending an e-mail to Rich.Barnier@aitpchicago.com. Also contact Rich if you would like to sponsor a table or sit at one of our AITP tables at the luncheon preceding the Technology Conference. The luncheon speaker will be Brian L. Roberts, Chairman and Chief Executive Officer of Comcast Corporation. **AITP members receive a discounted rate for the luncheon.**

AITP National Conference in New Orleans – limited edition moved to Columbus, Ohio

As you are probably aware, the National Conference scheduled for October in New Orleans has been cancelled. In its place, the AITP Association Board of Directors meeting, in conjunction with the Region Presidents Council and the Annual Meeting of the Members, will be held at the "Hyatt on Capitol Square" hotel in Columbus, Ohio on October 6-8, 2005. These important events will be held on the originally scheduled dates and will follow the same agenda that had been developed previously: **The educational tracks will not be held this year.** You can find more information on the Agenda by going to www.aitp.org and clicking on the National Conference link.

October Chapter Meeting – PMO Roundtable

Mark your calendar for **October 17, 2005** – come to our Chapter meeting and learn about establishing and managing a Project Management Office from the experts.

Microsoft Launch - SQL Server 2005, Visual Studio and BizTalk Server 2006

The launch is scheduled for Thursday, November 10th at McCormick Place. You should have already received an announcement from me (sent 9/21) with an event code to use. If you would like to attend and cannot find the announcement, send me an e-mail at paul.dittmann@aitpchicago.com

Special Interest Groups

How can you help – Participate, and encourage your staff to participate, by attending meetings, recommending suggested meeting topics or volunteering to help develop white papers. If you have an important business or technology issue that you need help with, talk with our SIG leaders and learn how they can help. The SIGs are resources you can use to help you and your organizations succeed – but only if you take advantage of them.

Take the first step. Look at our SIG page and see which ones are of interest to you or your associates. Call the SIG leaders to find out how you can help them, and in turn, help yourself.

Additional Information

Please check the Home Page calendar at www.aitpchicago.com , and the SIG pages frequently as our Fall schedule begins to fill up. Also check www.executivesclub.org for the valuable events sponsored by the Executives Club of Chicago.

Web Site Link for Speakers – If you would like to present at one of our meetings or participate in a panel discussion on a particular topic, please either use the Speakers icon on our homepage or e-mail me at paul.dittmann@aitpchicago.com .

I look forward to seeing you at one of our SIG or Chapter meetings – **and don't forget to bring a friend.**

Sincerely,
Paul F. Dittmann, President, AITP Chicago
Paul.Dittmann@AITPChicago.com

FREE MEMBERSHIP – STUDENTS

Student chapter members can save \$165 by joining the Windy City Chapter as interim members upon graduation. Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at Dave.Branigan@AITPChicago.com

FREE Project Management

Are you still waiting for headcount to increase? Project timetables falling through the cracks? Could you use some extra help? FREE!

DeVry University's capstone course, Senior Project, requires students to "apply knowledge and mastered skills, including problem-solving techniques and project-management methods, to an applications-oriented project."

You can take advantage of this opportunity to have senior-level computer information systems and network and communications management students do a project for you.

If the idea sounds intriguing, send Dave Branigan an email (david.branigan@aitpchicago.com) to find out how to get a project team working for you.

DeVry University Scholarship Programs

The price of higher education and the related issue of affordability are key concerns for the families of college applicants. DeVry is keenly aware of this issue.

As a response to address affordability and attract new students who would have a strong technology interest, we have developed several new scholarship programs. I have developed the list of DeVry University Scholarships. All of these scholarships are renewable if the student meets the prescribed level of academic achievement. For more information on any of these scholarships please contact Kerrie Flynn at our campus. She can be reached at extension 3582.

- * Dean's Scholarship HS students with an ACT score of 24 or higher must start DeVry within one year of graduation
- * Presidential Scholarship- the top ten Dean's scholars compete for two of these full tuition scholarships after a competitive essay is graded
- * Community Scholar Award- allows every HS in the state to award a \$1,000 scholarship to any student meeting our entrance criteria
- * Community College Scholarship allows any CC grad with a 3.3 CGPA to receive a \$1,500 per term scholarship.

* Community College Community Scholarship allows each regionally accredited two-year college to award a \$1,000 scholarship to any of their graduates meeting our entrance criteria

* Cisco Scholarship grants a graduate of a HS or CC CISCO Academy program to receive 1 \$1,200.00 per term scholarship.

These students will also receive some course credit for the ECT, NSA and NCM programs.

* FIRST Scholarship awards a \$1,00 per tem scholarship to students who competed in a regional FIRST Robotics competition.

* SkillsUSA VICA Scholarship awards a scholarship to HS seniors who place 1st, 2nd, or 3rd in selected competitions.

* Community College Scholar Award offers the opportunity for every regionally accredited two-year school to award one graduate a DeVry scholarship worth \$1,000.00 per term

For HS and CC faculty

* Fellowships Allows HS and CC faculty to take up to 12 undergraduate or 9 graduate credit hours and waive all tuition and application fees.

AITP Chapter Meeting - Global PMO Roundtable
October 17,2005, 5:30 Registration, Lamirage Restaurant, 3224 Algonquin Road, Rolling Meadows

Learn all about establishing and managing a Global PMO from the experts:

Panelists: Scot Berkey, VP, IT Strategic Development for Career Education; Stephen J. Benson, Parner, Proceed Online, Andrew J. London, SVP PMO, IRI

[Click here to Register](#) - Note New Date to avoid Columbus Day Holiday

AITP National Conference Announcement:

The AITP National Conference, scheduled in New Orleans, has been changed to Columbus, Ohio due to disastrous consequences in New Orleans arising from hurricane Katrina. The education tracks have been discontinued, but arrangements have been made to allow the Association Board of Directors meeting, the Region Presidents Council meeting, and the 2005 Meeting of the Members to take place in conjunction with the ISECON meeting, which was also relocated to Columbus, Ohio.

Please join us in Columbus, OH for our Annual Membership Meeting.

For more information, visit our website located at <http://www.aitp.org/nc>

Other AITP SIG Events

Please send email to Rich Barnier reserve your ticket 7 days before CEO lunch or High Tech Conference Series date to Rich.Barnier@AITPChicago.com

About the Executives Club of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

For more information on this and other programs please contact:

AITP MEMBERSHIP

The membership numbers are in for the end of December 2004. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2004 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit. Contact Kathleen Ladner at kathleen.ladner@AITPChicago.com
