AITP Chicago Board Nominations

AITP Chicago is accepting nominations for Board Members for the 2004-2005 term.

AITP Chicago Board Nominations
Due by October 25

Help AITP Chicago Grow!

Interested Members should submit their application by sending an e-mail to paul.dittmann@aitpchicago.com

Presidents Message

By Paul Dittmann

We'd like to thank Terry Hinaris of Hewitt, John Nash of Cognizant and Sann McGee of Siebel for their presentation at our September Chapter Meeting – “CRM Does Make a Difference”. And we offer a special thanks to Ellen Barry, the CIO of the Metropolitan Pier & Exposition Authority, for discussing how to do IT business with the public sector at the Sales SIG breakfast. The e-Commerce SIG also will be holding a meeting late in September covering VANs, - past, present and future. We're very happy to see the continuing growth of our Special Interest Groups. We encourage you to participate and to spread the word to your associates.

CIO of the Year Award to be awarded at the Executive Club of Chicago luncheon on 10/29. As you are probably aware, we have been hard at work trying to raise the visibility of IT with other C-Level executives. Thanks to Rich Barnier and Larry Buettner, we will be presenting our CIO of the Year Award in front of many of the top leaders of Chicago's business community. To get more information on this exciting event, check out the Executives Club of Chicago page in our newsletter.

Research Awards – In an effort to build value for our members, AITP Chicago is in the process of soliciting white paper topics from the university community in Chicago. We will evaluate the proposed topics and award \$2000 grants to one or more of the respondents. We feel that these white papers, along with the best practice documents being generated by our Special Interest Groups will continue to expand the value we are providing to our members and to the IT community in general.

October Meetings – Please check out our web site on a regular basis. In addition to our Chapter Meetings and SIG meetings, we post other IT events that we feel will be of value to our members. The CAMP IT Expo on October 21st offers 40 sessions covering many areas of IT. Vendors and consultants are not allowed in the sessions, so this is a great opportunity to pick up valuable information and meet your peers.

October 23-25 - AITP National Conference Tracks are being web cast to 3 DeVry locations in the Chicago area – Watch for our e-mail announcement covering the sessions that will be available at each of the sites. The list of topics and presenters is impressive.

As always, keep those articles, presentations and ideas coming. They are appreciated and are the foundation of the value we provide to our membership. Feel free to contact me or any of the SIG leaders and Board members.

Remember to take advantage of the events sponsored by the Executive Club of Chicago (www.executivesclub.org). I look forward to seeing you at one of our SIG or Chapter meetings – **and don't forget to bring a friend.**

Sincerely,

Paul F. Dittmann

Paul.Dittmann@AITPChicago.com

Sales Leadership & Development Community of Practice Kicks Off Fall Season

Featured Speaker: Ellen Barry, CIO, Metropolitan Pier and Exposition Authority

This month's Industry Briefing focused on selling to the public sector. With private sector IT spending remaining flat or declining, the public sector offers another market worth considering for business development efforts. Therefore, Ellen's comments were focused on how to do business with the public sector and how doing business with the public sector differs from doing business with the private sector.

Ellen joined the MPEA in February 2000 as Chief Information Officer responsible for information technology initiatives for the Authority. The Authority owns and manages McCormick Place, Navy Pier, and the Authority's Corporate Center. Her role involves strategic IT planning, budget and staff management, project implementation and ongoing support of the network, desktops, and business applications. In her attempts to align the IS organization with the Authority's business objectives, Ms. Barry has successfully implemented revenue generating initiatives to Exhibitors, Show Management and Meeting Planners for McCormick Place, Navy Pier and the Hyatt McCormick Place. In addition, she has been responsible for bringing high speed internet service to all sleeping rooms in the Hyatt McCormick Place Hotel, which is owned by the Authority and managed by the Hyatt Corporation; installing wi-fi cafes within the facility; and implementing a gigabit circuit to 'next generation networks' including Internet2.

Prior to MPEA, Ellen Barry was the 1st Deputy Chief Information Officer for the City of Chicago. As 1st Deputy CIO, Ms. Barry was responsible for all information services within the City relating to data center and client-server operations. The City of Chicago outsourced these services through two large outsourcing initiatives, one for desktop support and one for data center operations. Ms. Barry led these two initiatives from Statement of Work Development through contract negotiations and transition of services.

Previous to her role as 1st Deputy CIO, Ms. Barry worked with Chicago's Police Department in numerous IT and Strategic Planning activities including efforts toward implementation of a major Criminal History Records Information System. Ellen holds an undergraduate degree in Mathematics from the University of Illinois at Chicago and an MBA in Quantitative Methods and Computers from Loyola University.

For information on the October meeting, please contact Gerry Parran at (847) 644-2699 or gerry.parran@aitpchicago.com.

FREE MEMBERSHIP – STUDENTS

Did you know our chapter pays for the first year of full membership in our chapter to all student chapter graduates? Our chapter has over 300 student members and growing!! For additional information please contact David Branigan, Ed.D. at Student Awards via e-mail at dbranigan@tp.devry.edu

The Betty Stevens-Frecknall Scholarship

Betty Stevens-Frecknall Scholarship committee has selected the recipients for the 2003-2004 academic year.

Betty Stevens-Frecknall was a member and leaders in the Washington, DC Chapter of AITP. She always had a strong focus on education and left part of her estate to promote the education of deserving students. The Board of Directors of the Washington DC Chapter asked AITP's Foundation for Information Technology Education to accept the funds from Betty's estate and establish the Betty Stevens-Frecknall Scholarship Endowment that is administered by the Foundation for Information Technology Education.

Recipients must be full-time students pursuing a degree in Information Technology.

This scholarship is awarded on the basis of scholastic ability, leadership potential and financial need.

This year the student's that will be awarded scholarships towards their education are:

James Mottola Park, IL	\$2000	DeVry Institute, Tinley
Teresa Webb Charles, MO	\$1000	Lindenwood University, St.
Usman Uddin Oxford, MS	\$1000	Univ. of Mississippi,

Congratulations to the winners and thanks to the other finalists, all of who were very deserving!!

AITP National Conference Web Cast

WHO:

All AITP professional and student chapter members attend free. Professional and student-at-large applications will be available for those who are not members of AITP. The cost of membership is \$160 for professionals and \$35 for students payable at the door.

WHAT:

The national conference seminars will be presented to a live audience in St. Louis and broadcasted to local sites in real time. Local participants will see a PowerPoint Presentation and hear the speaker. Local participants will be able to ask questions and hear the questions from other chapter sites. During the AITP Town Hall Meeting or, as we have always known it, the Annual Meeting of the Members, members at all locations can pose their questions through the local MC (Master of Ceremonies) to the AITP Executive Council and hear the answers.

WHERE:

Security Track: DeVry University - Addison
1221 North Swift Road
Addison, Illinois 60101

Managerial Track: DeVry University - Chicago
3300 North Campbell
Chicago, Illinois 60618

Technical Track: DeVry University - Tinley Park
18624 West Creek Drive
Tinley Park, Illinois 60477

Town Hall Meeting: All three campuses

WHEN:

October 23-24, 2003.

Seminar Tracks: October 23 from 10:30 AM – 6 PM
October 24 from 9 AM to 5 PM

Town Hall Meeting: October 23 from 7 PM to 8 PM

QUESTIONS? dbranigan@tp.devry.edu

Association of Information Technology Professionals (AITP)

Dinner Meeting Events information

Date and Time: October 13, 2003, 5:30 Registration, Presentation at 6:30 and Dinner 7:45

Location: Lamirage Restaurant
3224 Algonquin Road
Rolling Meadows, IL
(On Algonquin Road just few blocks east of Route 53)
847-222-1222

Event Type: Presentation and Dinner

Sponsor: Association of Information Technology Professionals AITP

Price: Members \$30, Nonmembers \$40, Students \$20, at the door add \$5

Speaker/Topic/Theme:

Speaker: Steve Paroby, Global Markets partner for Ernst & Young

BIO: Steve Paroby is a 30-year partner with E&Y, and is currently the Director for Global Markets in E&Y's Technology & Security Risk Services (TSRS) practice.

His responsibilities include providing global leadership for TSRS in international accounts, formulating the go-to-market strategies, most recently launching the global "Digital Risk" initiative. Steve has worked with many global CIO's and other executives to help identify, quantify, and mitigate "Digital Risk."

Topic/Theme: Digital Risk – What approach can you take to overcome Information Technology risks.

"Join us for a presentation of a very timely and critical topic in today's corporate environment-- Digital Risk. Our keynote speaker will be presenting and discussing Digital Risk, which encompasses the threats and vulnerabilities associated with information technology. Included in the discussion will be an approach to developing an architecture to mitigate the risks called the Digital Risk Framework."

How to register:

Please register using the meeting link on the www.aitpchicago.com web site before noon on the Friday before the event. We have to provide the restaurant with an estimate of the attendance. You may also use the web link over the weekend. For late registrations and cancellations on the day of the event, please call Paul Dittmann at 312-264-5669.

2003 AITP National Conference

**Gateway to Innovations, October 23, 2003 through
October 25, 2003 - Millennium Hotel, St. Louis, MO**

The 2003 AITP National & Region 5 Conference hosted in St. Louis, Missouri will feature a traditional seminar and vendor show wrapped in state of the art technology. The seminars will be presented live and simultaneously delivered via webcast to chapters and individuals across the United States. Vendors will have their traditional vendor show along with electronic advertising delivered via the Web. The vendor show is open free to the public.

Go to <http://www.aitpstlouis.org/> for more information.

Ecommerce SIG Event

About the Executives Club of Chicago

Chicago-based programs, with global impact

Ranked as one of the nation's top three business forums by the Washington D.C.-based "Top-Speaking Forums," The Executives' Club of Chicago earns that reputation with effective programs and activities.

Our regular luncheon speakers are the CEOs of Fortune 100 companies. We provide our members -- and all Chicago business -- a seat at the table as key diplomats and international business leaders shape policy for the global economy. International Advisory Council assists in establishing critical strategic alliances in cities throughout the world, helping to ensure that wherever our members travel, they can rely on Executives' Club to connect with viable business prospects and partners, to monitor trends, and to gain access to the executives and diplomats who drive the global economy.

Chicago Programs: Club members convene for ten luncheon meetings yearly to hear nationally known CEOs, politicians and policy-makers. Luncheons provide an ideal forum for members to develop business contacts and entertain clients. Our 9 Committees and 4 Special Interest Groups sponsor 30 special briefings on business issues throughout the year.

Washington, D.C.: Executive Leadership Briefings bring Executives' Club delegations together with senior government officials for off-the-record meetings on trade and economic issues.

International: Since 1990, when the Club's first Executive Leadership Mission visited the former Soviet Union and Finland, the Executives' Club has conducted 4 international missions to Belgium, Germany, Hungary and Poland (1992), to the People's Republic of China and Hong Kong (1994) and to Paris, Brussels, Berlin and Prague to meet with senior officials of the European Commission, the European Parliament and senior officials in the public and private sector (1995). Led by Governor Edgar and Executives' Club President Kaarina Koskenalusta, this most recent mission identified a wide range of trade, joint venture and investment opportunities available in these countries for our members in the European market place of 350 million people.

Networking opportunities: Committees and Special Interest Groups

With our membership growing each year, it's sometimes difficult to meet those Executives' Club members who can most positively impact your business. To facilitate networking among our members, the Club has established 13 dynamic committees and special interest groups. These committees develop programs/briefings that focus on specific topics and provide a forum for all Club members with the opportunity to meet and network with other members who share their special interests. In addition, committee members take responsibility for nominating and screening new Club members who will keep our organization vital and enhance the value of Executives' Club membership for all.

Committee members serve by appointment of the Club's Chairman. Active participation (a minimum of 2 general meetings and two briefings per year) is critical to the effectiveness and impact of these committees. If you wish to be considered for a committee appointment, please contact the Club office

Look forward to seeing you at one of these events. Please let me know if you are interested in seating at our reserved "C" level tables.

AITP MEMBERSHIP

The membership numbers are in for the end of December 2002. We again, by a far margin, are the largest AITP chapter in the known universe! Congratulations to all of you on a great 2002 year end to make this happen.

In today’s fast-paced world of technology, there is an association that offers its members limitless opportunities for professional and personal growth. With thousands of IT professionals in 250 chapters across the US and Canada, AITP provides the means for a broader understanding of principles in the IT industry. AITP membership means being a part of a long-standing, progressive, professional association well respected in the Information Technology industry. Involvement in AITP is job enrichment. Enhance your technical and managerial skills, while building your competence and professional dimension. Interaction with a broad spectrum of IT professionals stimulates a disciplined, purposeful and goal-oriented approach to the job and its opportunities.

AITP’s Professional Development includes educational programs on the national, regional, and chapter levels for members in entry-level to upper-management positions. There are also, Special Interest Groups, National & Regional Conferences, Private & Public Sector Recognition Awards, Executive IT / CIO of the Year Awards, and individual member professional contribution Awards.

The heart of AITP lies in its local chapters where members have the opportunity for direct networking with their peers; informal discussions, educational seminars, and exchanges of ideas for the solution of common problems are a major membership benefit. CIO of the YEAR AWARDS nominating committee are now accepting nominations. The awards will be presented in mid December time frame and this year I am told we will have Mayor Richard Daley presenting the awards. Check out web page for form at www.AITPChicago.com and submit your nominations. Questions please contact Co-Chair Larry Buettner at larrybuettner@earthlink.net

CTO's - our members have requested a new SIG group be formed for those CTO's or equivalent at their companies. We have several CTO's already signed up and are looking for more. Please email me if you are interested in getting together with your peers on a monthly basis to exchange ideas, network and build your resources. Rich.Barnier@AITPChicago.com
